Australian School of Celtic Learning

Founded in December 2017 by Dr Pamela O'Neill, the Australian School of Celtic Learning is a community-oriented educational venture. Our vision is for a world where everyone has affordable and accessible opportunities to learn about the Celtic cultures. We present the latest and best research in the field of Celtic learning to all of our students, whether their interest is genealogical, spiritual, historical or linguistic.

Our programmes are arranged in four terms each year, beginning on the Celtic festivals of Imbolc, Bealtaine, Lughnasadh and Samhain. Topics for our programmes range over areas of Celtic interest, with a particular focus on the early medieval period, and on medieval and modern Celtic languages.
